## **GENERAL OVERVIEW OF THE ROMANIAN RRP**

**29 APRIL, 2022**

**ROME**

**Carmen ANTONIE**

**Head of Unit – RRP Monitoring Unit**

**Directorate General for the Management of RRP**

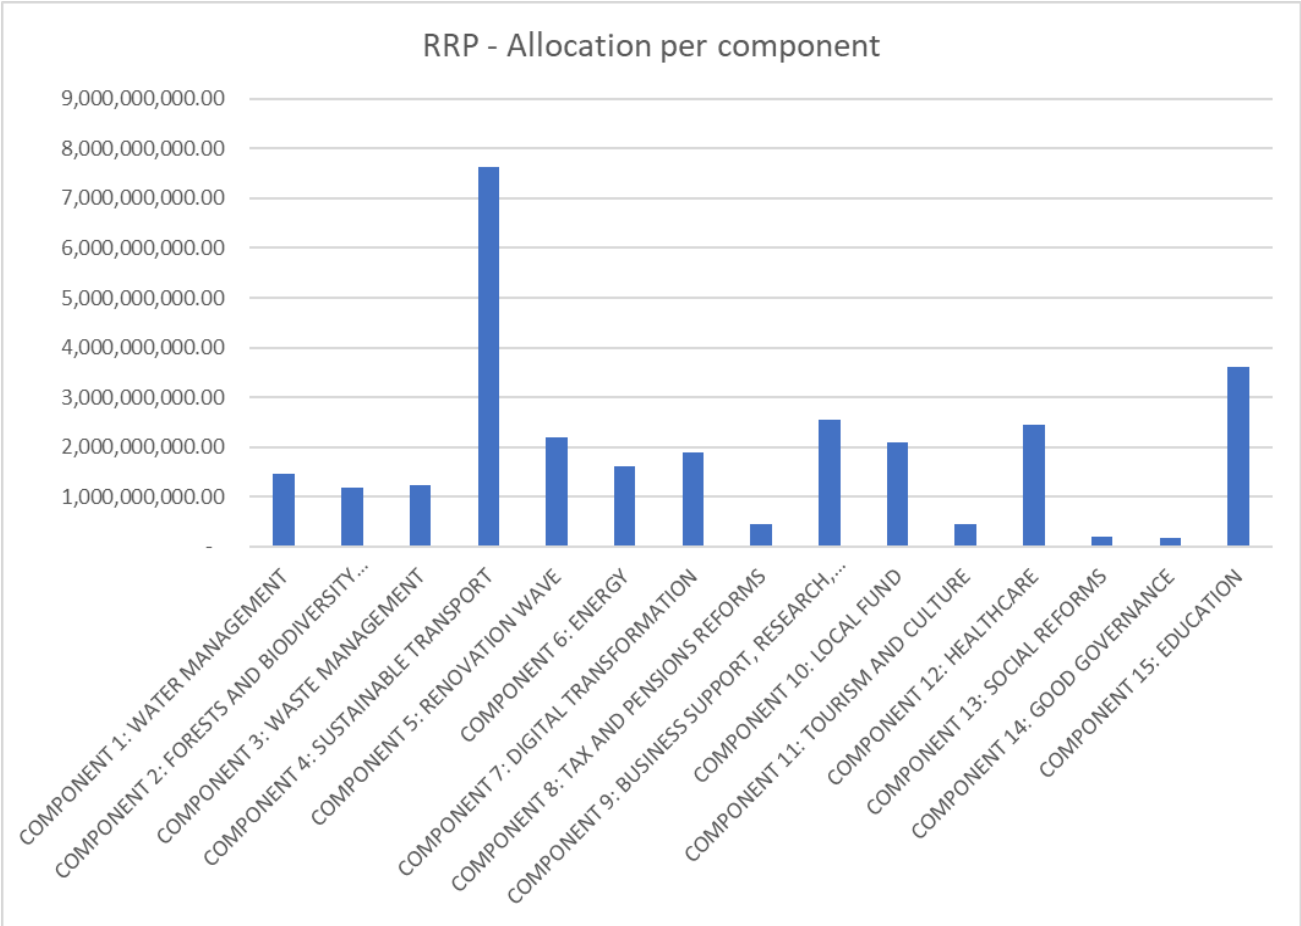

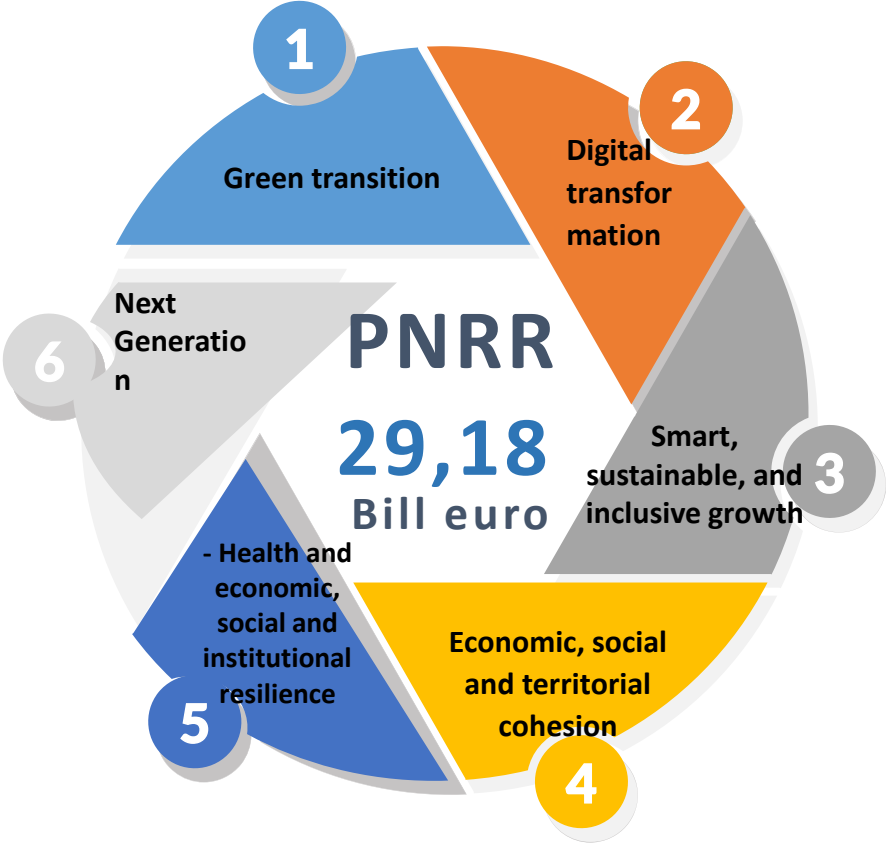

# Planul Național de Redresare și Reziliență

- Significant support for Romania to implement essential and much delayed reforms
- Momentum to speed up the green (41%) and digital transition (21%)
- Vital aid for Romania's economic and social recovery after the COVID-19 crisis
- Focus on the younger generation to be better prepared for future challenges

The general objective of Romania's RRP is the development of Romania by implementing essential programs and projects that support resilience, crisis preparedness, adaptability and growth potential, through major reforms and key investments financed from the Recovery and Resilience Facility

# RO RRP – structured in 15 components addressing all 6 pillars in the RRF Regulation

**TOTAL of 171 measures: 64 reforms and 107 investments (507 M&T) to be implemented by 2026**

A hand with the index finger pointing upwards towards the word 'PARTNERSHIP'. The word is written in a bold, teal, sans-serif font and is centered on a large, light-colored puzzle piece. The puzzle piece is set against a background of other puzzle pieces, some of which are dark teal and some are light grey. At the bottom of the image, there is a silhouette of a diverse group of people in business attire, including men and women of various ages and ethnicities, some standing and some sitting. The overall composition suggests a focus on human collaboration and partnership in a business context.
